

Tres granos de sal

Tres granos de sal
miran al molino
llevando el compás.

Uno lo jalea,
el otro lo aplaude,
y el más pequeño
le pide que baile

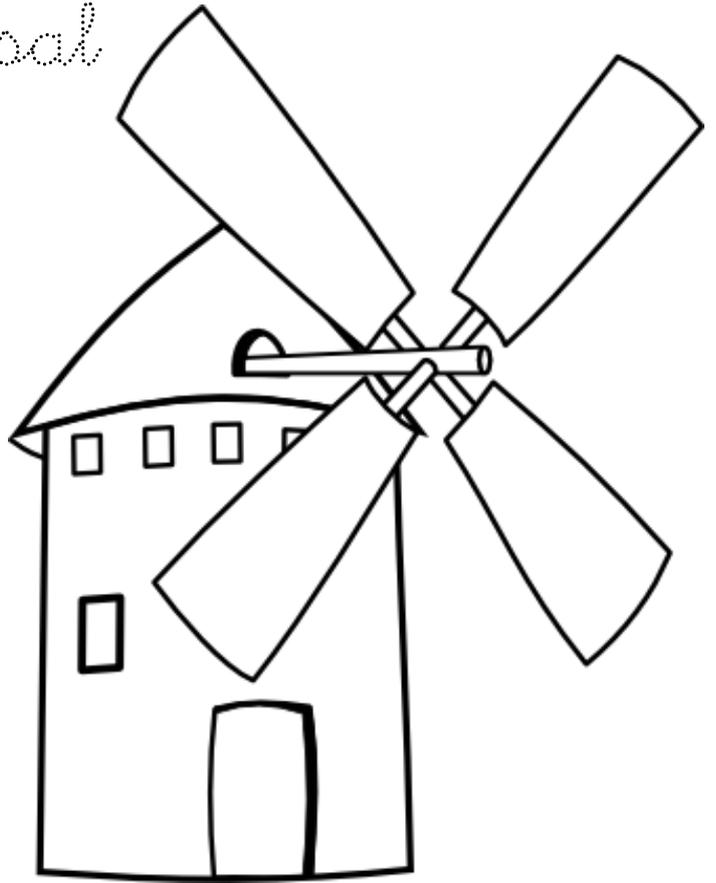

Tres granos de sal
hay bajo el molino
llevando el compás.

Tres grans de sal

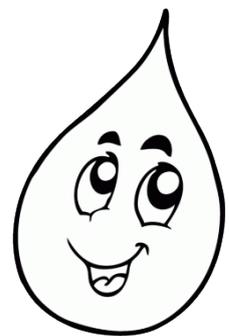

Tres grans de sal
miran ao muíño
levando o compás.

Un bérvalle,
outro apláudelle,
e o máis pequeno
pídelle que baile.

Tres graos de sal
hai baixo o muíño
levando o compás.
