Hi Mark,  
Yesterday we were at a beautiful castle in Wales. It was great! I love castles and I love history! The castle was on a

mountain about twenty minutes away from the town. There were lots of valuable paintings in the rooms of the castle.

My favourite one was a painting of a mountain. There was a café and a shop in the castle. The cakes in the café were delicious. There were interesting books and postcards in the shop. There were nice T-shirts and hats too.

Behind the castle, there were lots of fields. There were tractors and animals in the fields. There was a big wood and a long river. There weren't any boats on the river, but there was a beautiful, old bridge.

See you soon,  
Andy
