

Name _____ Date _____

All About Whales

What do you know about whales?

All whales are **mammals**, just like us! They have hair and they are warm-blooded. They breathe air into their lungs through a small hole called a blowhole.

Whales swim many miles each year. They often move in groups called **pods**.

Did you know that whales can also sing? Whales make a whistling sound that can sound like a song. Some whales can be heard from miles away.

Whales are very interesting animals!

Read each sentence. Circle the word or words that make the sentence true.
