EXEMPLO:

Esta aula (2ºB) na quenda do 6/11 ao 17/11 completou as voltas e completa o máximo nivel de vida activa. 🖐️

Agora esta aula está na segunda quenda, do 20/11 ao 1/12 e leva feitas 4 voltas, por iso ten 4 cuadrados coloreados. Si queda así conseguiría nesas dúas semanas adquirir un nivel activo simple. 😊
