

Hi everybody!

This period of time we are going to spend at home is a good moment to upgrade your listening skills. If you can, watch your favourite TV series in English or listen to songs in English and SING along! We need a few laughs. Anything you like!

- You need to revise vocabulary and grammar structures from units 4 and 5. You can redo exercises to practise.

Present perfect/past simple

Ever/never

Just/yet/already

Comparatives and superlatives

Less than/as...as...

Too/enough

- Practise your writing:

1. Pg. 63 Read about Eddie and write an email to tell him what you think about his plans. Follow the structure in the LIFE TASK yellow box.
2. Pg. 67 Read the review of a British TV programme and do the exercises. Then follow the instructions in exercise 6 and write your personal review on a Spanish TV programme.

Any questions, doubts, comments and, of course, your exercises and writings to rakemadi@gmail.com or share through drive.

Keep calm and be safe! I'll miss you!
