

YOUR TASK

STEP 1

- ★ In groups of four choose a theme for your artwork: landscape, still life, portrait, animals, abstract.. or another of your choice.
- ★ Debate what materials and support are most suitable.
- ★ Make samples and tests of the results you get with each material.
- ★ Make decisions about the materials and supports that you will use for your work.

STEP 2

- ★ Make your artwork in groups.
- ★ Assign tasks to each of you.
- ★ Pay special attention to the neatness in your work and the caring of the supplies.

STEP 3

- ★ Analyse your artwork, looking for strengths, weaknesses and possible ways to improve.
- ★ Make a file card to record the supplies and techniques used.

STEP 4

- ★ Present your artworks to your classmates.
- ★ Together, you will look for ways to improve your work.
- ★ Finally, publish your artwork with a brief description in the virtual classroom of the school.
