Protective Measures against the coronavirus (COVID-19)

- Wash your hands frequently!
 Regularly and thoroughly wash your hands with soap or clean them with a disinfectant.
- Maintain social distancing!
 Maintain at least 1 metre (3 feet) distance between yourself and all other persons who are coughing or sneezing.
- Do not touch eyes, nose and mouth!
 Hands can pick up viruses and transfer the virus to your face!
- Practice respiratory hygiene!
 Cover your mouth and nose with your bent elbow or tissue when you cough or sneeze and dispose of the used tissue immediately.
- If signs and symptoms occur, do not leave your home and contact health care professionals or emergency services by phone. Health advice hotline: 1450
