Hello, my name is Sophie. This is my lunch. Today I've got tomato soup. For my main course I've got chicken with potatoes. I like rice, but they haven't got rice today. I love healthy green vegetables, too. Today I've got beans. They haven't got peas. For dessert I've got chocolate cake. It's delicious! And for my friend Bella I've got some cherries. She doesn't like cake, but she likes fruit.
