Ola!

Son a túa axenda. Estou contigo para acompañarte ao longo do curso 2024-2025. Agardo que non me esquezas nun curruncho do teu cuarto, como algo que non serve, senón que me empregues como unha verdadeira amiga que quere lembrarche cousas e darche consellos...

¿Cómo me debes usar?:

En 1º lugar, anotando todas as cousas que debes facer cada día para mellorar os teus estudos: tarefas a realizar; traballos que debes entregar; leccións que debes estudar; datas dos exames...

Tamén che servirei para que non te esquezas os materiais necesarios nas clases: libros, cadernos... Para isto téns un HORARIO de clase. Non te esquezas de consultalo diariamente.

Tes follas que están cheas de bos consellos para que aprendas a estudar e traballar. Leos con atención e lévaos á práctica, seranche moi útiles.

Nas últimas follas, hai distintos formularios para os teus pais: autorizacións de saídas, solicitude de entrevistas, xustificación de faltas..., ou ben para os teus profesores: solicitude de entrevistas ou comunicacións cos teus pais.

E aínda hai, ao final, outras follas para que anotes as direccións dos teus amigos/as ou páxinas webs interesantes.

Ben, "compañeir@", agardo ser unha boa amiga. Non me esquezas.
