

LET'S MAKE AN "ANTI-THEFT ALARM"

When you press the "space key", forever:

- If the distance to the ultrasound sensor is more than 5 cm, then play the C4 musical note and turn on the aboard LED light in **RED**.
- If not, turn on the aboard LED light in **GREEN**.

CLUE

```
reproducir tono en la nota C4 pulsación Doble
por siempre
establecer el led de a bordo todos rojo 0 verde 0 azul 0
distancia del sensor de ultrasonidos Puerto3
si entonces
si no
establecer el led de a bordo todos rojo 0 verde 0 azul 0
```
