

# Kandinsky geometrical style painting

## 2<sup>nd</sup> lesson

1. We learn about the abstract period. Kandinsky is interested in colours, how he can feel the colours and the geometrical forms. (Imos aprender sobre o período abstracto de Kandinsky, como usa as cores e as formas xeométricas)

2. Vocabulary:

Circle (Círculo), square (cuadrado), triangle (triángulo), rectangle (rectángulo)....

We remember

“big” and “small” (grande e pequeno)

Types of lines as well: straight, curved, wavy, zig-zag. (Tipos de liñas: recta, curva, ondulada, zig zag)

3. Watch the video of Toya (Mira o video de Toya) [video4](#)

4. Draw your own picture in this style
