

I'm happy, happy, happy!

All my heart shines on **SUNDAY!**

**Shaking hands is lovely.**

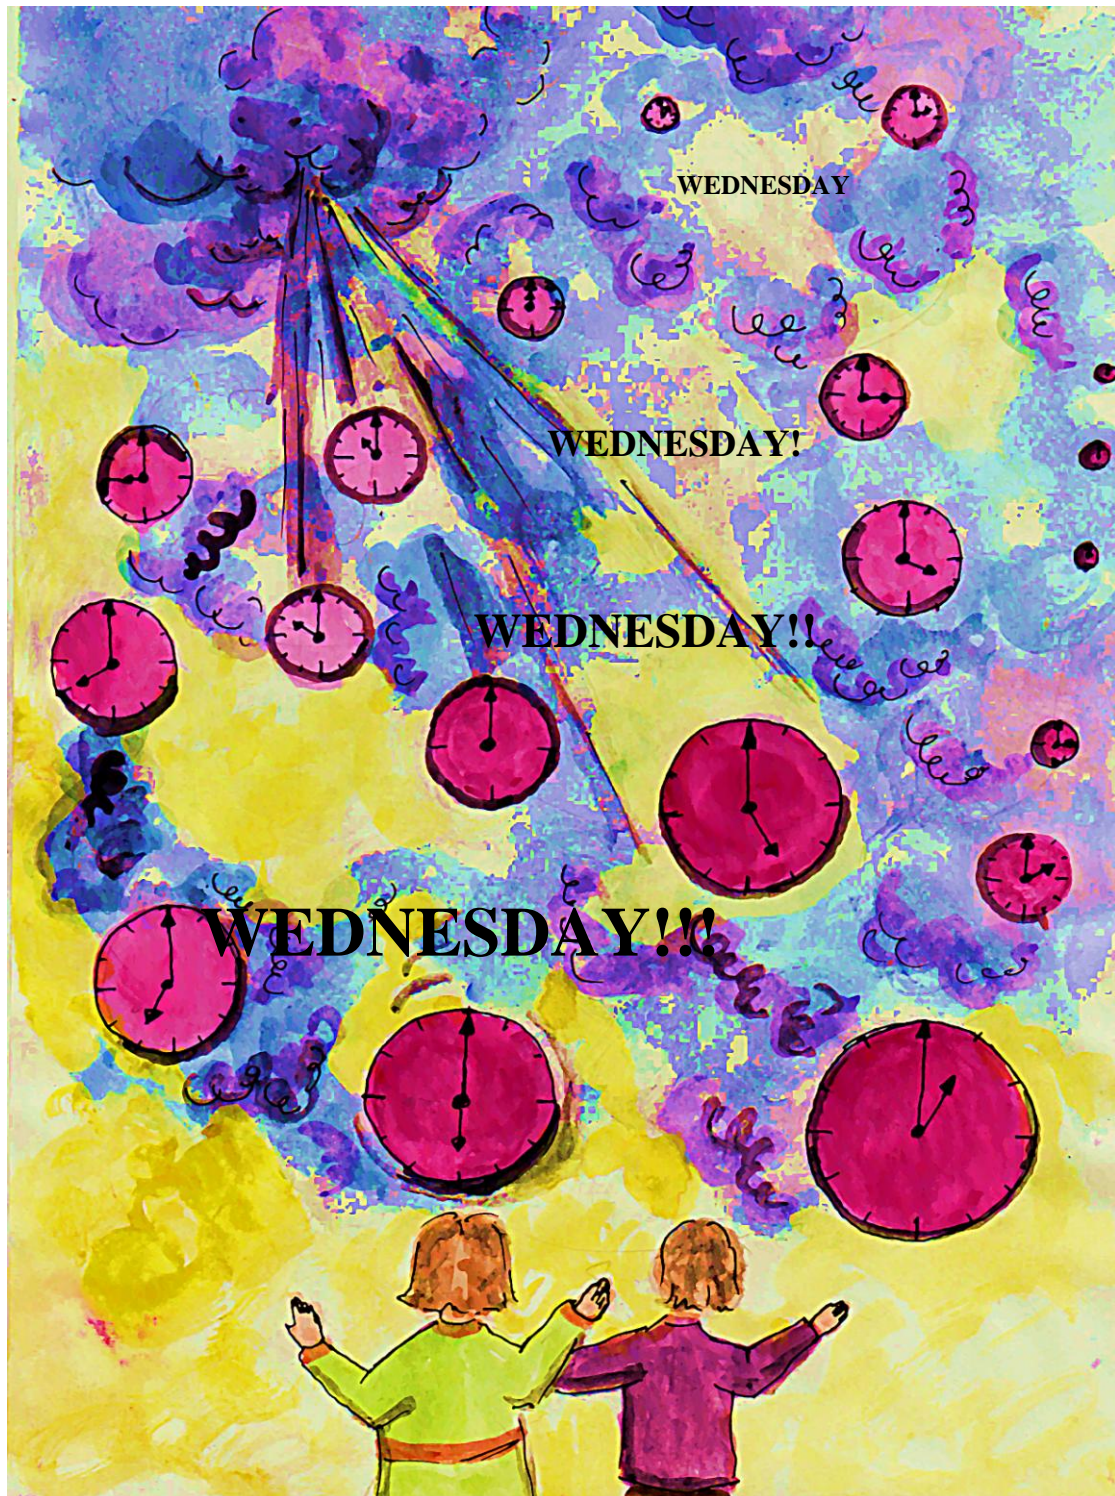

**You** say this chant and read.

On **TUESDAY** the days you **sing**.

On **WEDNESDAY** all goes so **quickly!**  
The **wind** blows **clocks** for pupils.

On **THURSDAY** I feel sleepy.

I **dream** on you so pretty!!

I finish school on **FRIDAY**.

My **head** is closed and **tired**.

I play with friends on **SATURDAY**

And celebrate my **birthday party**.

**Sunday, Monday and Tuesday**

These days I count with fingers

**Wednesday**, the fourth, is leaving

Like leaves on the trees in winter

**Thursday and Friday** make six

And the days counting I finish

As **Saturday**, the seventh, I read.

Seven days has a week

You can count and then repeat!!

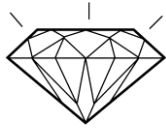

**THE END**
