

## Present simple and present continuous – ANSWERS

### 1. True or False.

Read and circle True or False.

I like sport. I play tennis every weekend and I watch tennis matches on TV every time there is one! I also play basketball on Fridays. I am not very good so I am learning with a trainer. Right now I am looking for information about famous players on the internet. My sister doesn't like sport. Every weekend she stays at home and watches TV! At the moment she is helping our dad cook dinner in the kitchen.
