Conversation at the doctors

(1)

Dr. Hello, good morning. How are you feeling?

Pt. I have a Fever

Dr. Take this medicine for 10 days. Return if you still have a fever.

Pt. Thank-you, Good bye.

(2)

Dr. Hello, good afternoon. How are you?

Pt. I have a stomach ache.

Dr. How long have you had a stomach ache?

Pt. 8 Hours

Dr. Take this medicine, rest, and drink lots of water. Call tomorrow if it is still hurting.

Pt. Thank you, good bye

(3)

Dr. Hello, good afternoon. What has happened?

Pt. I think I broke my arm.

Dr. When did this happen?

Pt. Today at school.

Dr. What were you doing?

Pt. Running then I fell onto my arm.

Dr. We will perform an X-ray and put you in a cast.

Pt. Thank you for helping.

(4)

Dr. Hello, good evening. How are you feeling?

Pt. My chest hurts

Dr. When did the pain start?

Pt. Last week

Dr. I am sending you to a specialist. They will check you out then prescribe a medication.

Pt. Okay, thanks. Good bye.
