

HOW TO DRAW LANDSCAPES

MATERIALS:

- White paper
- Pencil and rubber
- Crayons
- Markers

ACTIVITY:

After watching these videos, choose the one you like most and draw it. Then, underline with a black and thin marker and, finally, colour it. It's very important to do it with **love**. You can also add an animals or people using the tips we've learnt last weeks.

You can send your pictures by mail: cpicovat3ob@gmail.com

We hope we can meet very soon.

Lots of love,

Jessica and Teacher Ana
