

## TASKS FOR WEDNESDAY 25TH MARCH.

Today we are going to continue with the grammar in lesson 4. “ Relative Clauses”.

There are 2 types of relative clauses, defining and non-defining, but we are going to work on defining relative clauses first.

### Tasks

- We are uploading a document with the explanation of defining relative clauses. After each explanation, there are a few examples. You will notice that the 2 last sentences of the examples are incomplete. That is your task: complete the unfinished sentences in the examples.
- Go to page 135 in your book, read the grammar box and then do ex. 1 and 2.
- Go to page 136 and do the same
- Go to page 137 and do ex.5 and 6

If you have any difficulty, contact us and we will happily give you some help!
