

## Tasks Friday 20th /Monday 23rd March.

Good afternoon! We've had a few technical problems uploading some of the exercises. The listening we uploaded on Wednesday does not open, so just ignore it. You can do the exercises all the same.

On today's menu we have:

- solutions to the previous vocabulary exercises
- film vocabulary with definitions in English (read through it and keep it at hand. It will be useful when we practise relative clauses)
- Fill in the blanks with expressions used to describe films.
- Listening exercise. Click on the link below and follow the instructions. You can do the exercises online and check your answers.

Keep calm and the most of these days!!
