

TASKS FOR TUESDAY 14th APRIL

Hello, here we are again!!

Everybody is okay so far?? We hope so.

We are waiting for instructions regarding new contents, evaluation, for this third term from the Consellería . They are having a meeting this week and hopefully they will make some decisions. As soon as we get them, we'll let you know.

As we don't know if we can move onto new contents, we'll keep revising relative clauses so this is the plan today:

- ✓ Page 44 of your book: exercises A , 1a* , 3a *
- ✓ Pages 135, 136 and 137 : exercises 1, 2, 3, 4, 5 and 6

** You have to complete the sentences with your own ideas. We won't upload any solutions for these two exercises, which means that you will have to mail them to Conchita or me.*

You will probably remember that we were uploading your tasks on Mondays, Wednesdays and Fridays. As we are starting on Tuesday, we have decided to set them today and you won't hear again from us till Friday

- ✓ And now, some music to get down to work.
