

Conjugación del futuro continuo

1.La afirmación en el futuro continuo

La estructura del futuro **continuo** (Present Continuous) en inglés es sencilla:

subject + will/may/might + to be + gerund (-ing)

Conjugación	Significado
I will be singing	estaré cantando
you will be singing	estarás cantando
He will be singing	estará cantando
we will be singing	estaremos cantando
you will be singing	estaréis cantando
they will be singing	estarán cantando

You may be watching

I will be staying

1.a.Construcción del gerundio

Como norma general para formar el gerundio en inglés se añade **"-ing"** .

Aunque hay que tener en cuenta unas consideraciones:

1.b.Gerundio en verbos acabados en **-ie**

Se sustituye la terminación **"-ie"** por **"-ying"** .

Verbo	Gerundio
die	dying
lie	lying

1.c.Gerundio en verbos acabados en -e

Se sustituye la "-e" final por "-ing"

Verbo	Gerundio
use	using
have	having

1.d.Doblado de la consonante final en la formación del gerundio

Numerosos verbos doblan su consonante final para formar el gerundio:

Verbo	Gerundio
get	getting
set	setting
forbid	forbidding

Para que se realice el doblado se tienen que cumplir estas 3 condiciones:

1. Que la palabra acabe en una única consonante (que no sea r, w, x ó y)
[ejemplo: **set**]
2. Que la última consonante sea precedida de una única vocal. [ejemplo:
let]
3. Que la palabra sea monosílaba o que recaiga el acento en la última sílaba o bien que termine la palabra en "L"

2.La negación en el presente continuo

La **negación** con los verbos plenos (esto es no modales y no auxiliares) es muy simple:

subject + won't/may not/might not + to be + gerund (-ing)

Conjugación	Significado
I will not be singing	No estaré cantando
you will not be singing	No estarás cantando
He will not be singing	No estará cantando
we will not be singing	No estaremos cantando
you will not be singing	No estaréis cantando
they will not be singing	No estarán cantando

You won't you be watching

They may not be staying

3.La interrogación en el presente continuo

Para construir la **interrogación** simplemente hay que invertir el orden del sujeto y del verbo **to be**:

Estructura de la interrogación:

will/may/might + subject + to be + gerund (-ing)

Conjugación	Significado
Will I be singing?	¿estará cantando?
will you be singing?	¿estarás cantando?
will he be singing?	¿estará cantando?
will we be singing?	¿estaremos cantando?
will you be singing?	¿estaréis cantando?
will theybe singing?	¿estarán cantando'

Will you be watching?

Will they be staying?

4. Uso del presente continuo

We use the future continuous to talk about an action in progress at a certain point in the future. **Will/won't** are sure about a future action, **may** and **might** express less certainty

We usually use will to ask questions about the future. Questions with may are unusual and questions with might can be quite formal.
