

A DAY THE LIFE OF ALDAIR AND BRAYAN

My name is Aldair and my friend's name is Bryan. The early morning sun rises as we get dressed in our clothes .

In the morning we polish my father's boots, then I go hunting with my friend. We go hunting in the forest.

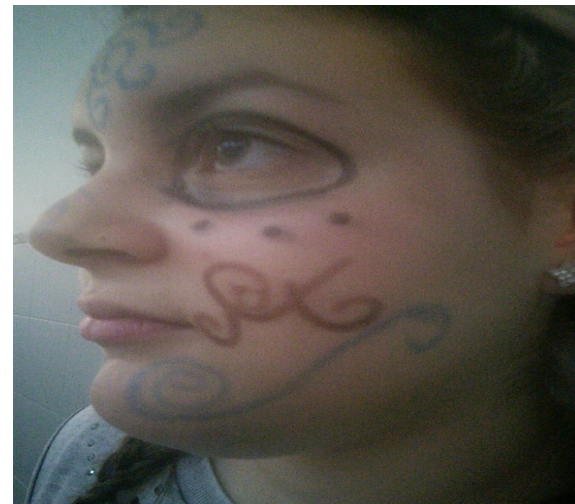

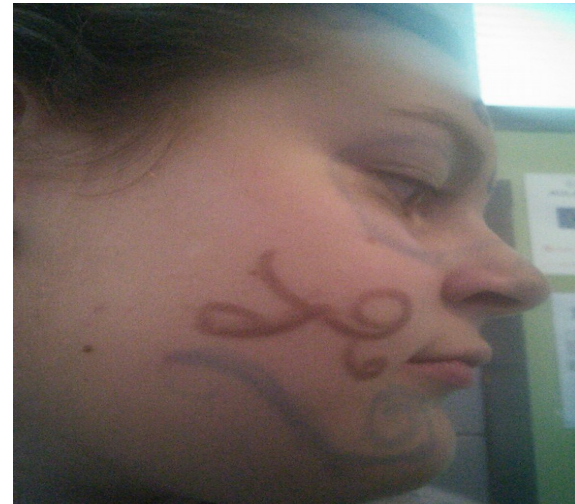

A DAY THE LIFE OF ALDAIR AND BRAYAN

In the afternoon we collect chicken eggs and sew clothes.

I play with my little sister, I make lunch over the fire, I milk the cow and I collect chicken eggs.

We eat vegetables: almonds, wheat, corn, oats, green peas and cabbage. We also eat meat and fish : hake, golden sea bream , conger, goat, sheep and pig. We drink water, cider and grape juice.
