

Use the information below to tell me about how your vacation is going. Choose 4 things that you have done and 2 things you haven't done. Then tell a short story using two sentences for each activity. There are three vacations for you to choose one. There is an example that you can follow. Record an audio and send it by Friday 29th.

Usa a información que tes abaixo para contarme como che van as vacacións. Escolle 4 cousas que fixestes e 2 que non fixestes. Despois conta una breve historia usando dúas frases para cada actividade. Tes 3 vacacións diferentes e elixes unha. Hai un exemplo feito. Grava un audio e mándamo, como moi tarde, o venres 29 de maio.

I have watched a Giant's baseball game. It was fun to watch a Major League Game live. Also I have visited Chinatown. I ate some really delicious Chicken there. Next I have taken a cable car. They are really famous here so I wanted to try one. Plus I have gone to the Golden Gate Bridge. I took some really great pictures there. However I haven't climbed Telegraph Hill because I don't like hiking very much. Finally I haven't visited Alcatraz Island. The tour there is very expensive.
