I'm in Italy with my parents and I'm having a great time! In the mornings we look at old buildings and take lots of photos. We eat pizza and ice cream for lunch every day – mmmm! In the afternoon it's always very hot and we often go swimming. I sometimes study too. I've got lots of homework!

I'm not studying now. I'm sitting in a café and I'm writing this email to you. My mum is talking to the waitress in Italian. (My mum teaches it at my school.) My dad's reading a book about music.

What are you doing?
