

Ciclo Medio Comercio.

Before doing new activities you should finish the previous ones first.

We are still reviewing vocabulary related to the different positions on a store, Student's book page 113, vocabulary builder.

Do the reading of an advert asking for a new employee, Student's book page 6. Do the exercises on your note books and remember you must answer using full sentences.

To practice the vocabulary related to different departments we may find in a store (menswear, bridal, cosmetics...) do exercises on page 7, Student's book.

Remember: Do exercises on your note books, write vocabulary lists, and be tidy. Once you finished, send them to me to: zalaquarantine@gmail.com.
