

**Paxaros da ría de Noia**

**Gaiivota reidora**

A white bird with a black cap is swimming in a body of water. The water is dark and reflects the sky and surrounding environment. The bird is in the center of the frame, moving towards the right. The water has a mottled appearance with various shades of brown, grey, and blue. In the foreground, there is a small patch of green grass or reeds. The overall scene is a natural, outdoor setting.

**Foto denuncia**

A photograph of a riverbank. In the foreground, a white egret stands in shallow water, facing left. To its right, a discarded black tire floats in the water. The background shows a muddy bank with sparse green grass and scattered sticks and debris. The water is calm, reflecting the sky and the surrounding environment.
